# Student Internship Snapshot

*What will you give ~ What will you receive?*

Our student interns wish to gain experience providing long-term-care respite and recreation services for care-partners and people living with physical and cognitive disabilities.

The student internship experience can be customized based on your interests, and will include learning, practicing, and developing skills in the areas of:

Horticulture Therapy  
Hospitality & Social Services  
Marketing  
Administration

Create accessible & joyful experiences outdoors  
Support long-term-care givers & receivers  
Outreach to a network of providers & families  
Manage the day-to-day back office flow
